Part B for October 1929.

SUBJECT

G.O. No. 1717-18 | C. R. B 9-29-1 of 24.9.1929.
Cases orders exempting from the operation of rules of recruitment certain appointments of a technical nature in the Government Press, Bangalore.

Secretariat C. R. 69 File No. of 192 9

Serial No.

From the Supt. Govt. Printing, Bangalore,
Letter no. 658 dy 24/26. 8. 29
Recommends sanction of Govt., in the circumstances explained, to the proposal that the permanent compositors' posts may be exempted from advertisement in the Gazette & permitted to be filled up by promotion from among the deserving hands in the Press itself as also exemption being granted to Foremen, Asst. Foremen & similar technical hands.
Subd. The request amounts to a general exemption being granted for the appointment of candidates on the vacancies of compositors, Foremen, Asst., Foremen & other technical posts in the Govt. Press, without advertising the vacancies in the Gazette &, through the C. R. B., the power of appointment being probably vested in the Supt. Govt. Printing. Cases for exemption from the operation of the C.R.B. rules are considered by Govt. on the merits of each case reported when individual recommendations are made. ~~Hence such a letter as this for exemption should be framed.~~

SIR,

1) I have the honour to state that a vacancy of a Proof Examiner on Rs. 30/- that occurred at the Branch Press, Mysore, was advertised as Serial No. 1573 in the Gazette of the 16th February 1929 and out of the several candidates that applied for the post, one H. Venkataramiah (application No. 27366) was selected and required to join duty. But he declined to accept the appointment, whereupon one M. N. Gopalaswamy (application No: 27173) the next best candidate, was selected and intimated to take up the appointment. In spite of repeated reminders being issued to him, he has not reported himself for duty.

The vacancy thus remains unfilled for nearly six months.

The appointment requires men of technical qualification apart from the general qualifications. Mere academical qualification will not make a reader competent if he has no technical experience, although general education fits him to become a good and reliable proof reader. It is therefore necessary to insist upon both general education and technical experience and ability in proof readers.

According to the rules of the Recruitment Board, the qualification prescribed is S.S.L.C. for this post, which has failed to attract even men of this standard, whereas, in fact, we require a man of higher qualification as he has to pass final proofs at the Branch Press,

where the establishment is limited and he occupies a rank next to the Head Examiner who draws a pay of Rs 32/- only.

Considering all aspects of the matter, I am of opinion that proof readers' posts should not be classed with clerical posts and the qualifications prescribed for the latter insisted upon for the former. These posts are essentially technical in nature and should be recruited from men who have rendered service in it and not from ~~new~~ raw school youths, who fail to take it up, or take it up only to leave it soon in order to take up ~~for~~ some other post in another line.

Under these circumstances, I beg that proof examiner's and proof reader's posts may be exempted from advertisement in the Gazette under the Recruitment Rules and permitted to be filled up under the standing orders of the Press department, on the merits of each individual case.

I solicit the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

B. Srinivasa

Superintendent.

SIR,

I have the honour to state that a vacancy of a compositor on Rs. 30/- has occurred in the Government Branch Press at Mysore owing to the resignation of a compositor. According to the rules of the Central Recruitment Board, the vacancy has to be advertised in the Mysore Gazette for being filled up by an eligible applicant.

In this connection, I beg to state that compositors' posts are not clerical posts contemplated by the Recruitment Rules for ~~wkkkk~~ wide publicity and attraction of academically qualified candidates. They are technical Jobs, qualifications for which are picked up in the Press by long apprenticeship and service and also by the passing of technical examinations, which have only been recently instituted. There are many such eligible candidates in the Press itself, whose claims cannot be overlooked in preference to an outsider who may not know the conditions of work in a Government Press. Moreover, almost all the eligible candidates are non-brahmins whose interests will not in any way be prejudiced by the granting of promotions in the Press itself.

Under these circumstances, I request that the permanent compositors' posts may be exempted from advertisement in the Gazette and permitted to be filled up by promotions from among deserving hands in the Press itself. For similar reasons, the exemption may also be granted to Foremen, Asst. Foremen and similar technical

hands.

I solicit the favour of early orders.
